

Notice of work

**Partial reopening of Rue Peel between
Rue Smith and Boulevard René-Lévesque**

AND

Partial opening of the Express Bike Network (EBN)

Impacts of the work

Traffic

- Reopening of Rue Peel between Rue Smith and Rue Ottawa and between Rue Notre-Dame and Boulevard René-Lévesque;
- The new design features one traffic lane in each direction;
- Maintenance of the obstruction at the Rue Peel/Rue William intersection, which will be completed this fall;
- Local traffic between Rue Ottawa and Rue Notre-Dame;
- The EBN is accessible to cyclists between Rue Smith and Boulevard René-Lévesque except for the Rue William intersection. Cyclists should exercise caution and follow signage.

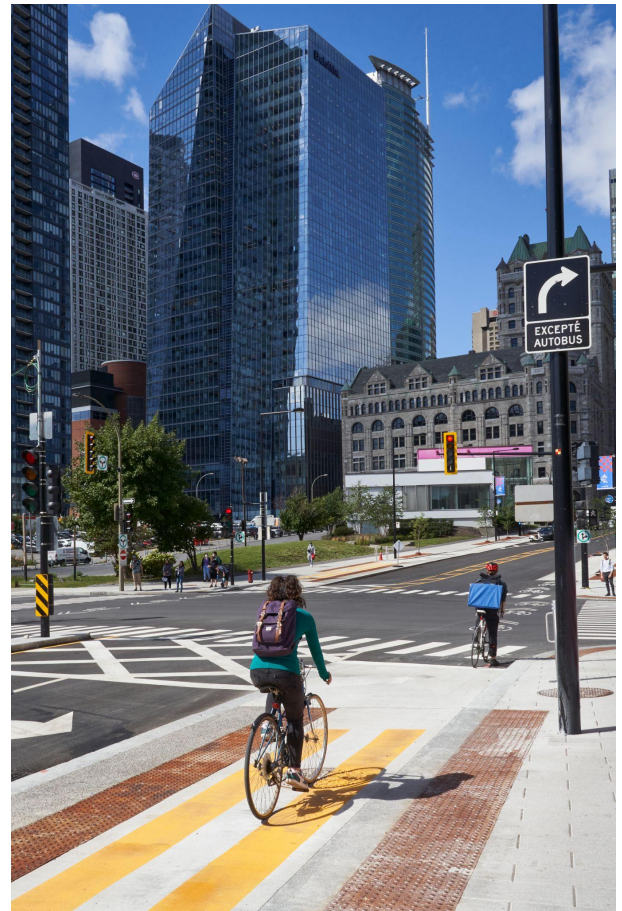

Parking

- On-street parking is available on the west side of Rue Peel, between Rue Ottawa and Rue William and between Rue Notre-Dame and Boulevard René-Lévesque.

Overview of completed work

Intersection of Rue Peel and Rue Wellington

Intersection of Rue Peel and Rue Saint-Antoine

Notices and alerts
